

FESTIVAL CRUISES

TO WHOM IT MAY CONCERN

Re: Bernadett Rott, Andras Varkonyi and Gergely Kovacs, collectively known as "The Concord Trio".

I can confirm that The Concord Trio have worked on board the Festival Ship M.V. Flamenco from 17.04.2000 to 06.12.2000 and commenced the second and their current contract on 14.12.2000.

They provide quality music and vocals in the Starlight Lounge and by the pool during deck parties and embarkation.

They are polite and courteous with both passengers and colleagues and would be an asset to any entertainment team.
